

Help the Cyclone Victims in Burma

- > 13 million affected
- > About 100,000 dead
- > 1 million homeless
- > Millions starving

ALL WHILE MILLIONS WORTH OF AID IS JUST WAITING AT THE BORDERS!

The military regime, who has been running Burma to ruin for over 46 years will not let aid or aid workers into Burma to provide relief to victims.

The Burmese American Democratic Alliance (BADA) has several working channels of delivering aid directly into Burma.

Every minute counts!

BADA will send funds and other aid directly to people and groups in the Rangoon and Irrawaddy delta area already providing relief.

One such group is the Burmese Monks Organization and their Monasteries. Currently, the monks are providing most of the aid--food, shelter and other needs. But they are running out of resources. The monks have been giving their own rations to the children and elderly.

To donate, visit www.badasf.org or send checks to "BADA" at 1453 Marin Ave, Albany, CA 94706

***** Your donations are tax deductible *****

The Burmese American Democratic Alliance (BADA) is a California non-profit organization helping and assisting the people of Burma and the community in the San Francisco Bay Area since 2001
